

2014 Annual Report

TIM GIRAUDIER - BEAUTIFUL OREGON

The Coyote Oaks Conservation Easement: protected in 2014 thanks to grants and member support.

What do you depend on?

Thanks for making sure it's there tomorrow.

Bolstered by support from over 700 members and two terrific planned gifts, we protected 214 acres last year.

Your gifts conserved the wetland meanders of Coyote Creek just north of Fern Ridge Reservoir. And they protected spectacular oak woodlands in the Umpqua.

Because of you, these lands will define the bounty of western Oregon for generations to come.

Your gifts also cared for the land. With your support, we transformed gravel pits into ponds for native fish

and replanted tens of thousands of trees along the McKenzie and Willamette rivers.

Thank you for your generous gifts. They made western Oregon a better place last year.

Working together, we will continue the momentum. With your help, we can sustain the clean rivers, plentiful salmon runs, and vibrant farms and forests that we all want to leave to the future.

Thank you!

We couldn't do it without you!

The McKenzie River Trust thanks all our members in 2014! Together, we're protecting and caring for the lands and rivers that make this place incredible. **Thank you for your 2014 donations!**
